Christmas Message

Christmas is a time of celebration and enjoyment. This year Christmas may bring lots of happiness and delights. This year wish your dear ones with best and special words and make them happy. Love, care, friendship and togetherness make the Christmas time all the more unique. Christmas also means spreading the affection of our heart into the lives of others & bringing in pleasure &

cheers. Let us thank the Lord for having given Jesus to us, who lowered himself to a simple human being. The prophet Isaiah, hundreds of years before Jesus' birth, predicted his coming and said he would be born of a virgin and be known as Immanuel (Isaiah 7:14). And Matthew's account of Jesus' birth tells us how that prophesy was fulfilled. Mary and Joseph called Jesus Immanuel — which means "God with us". He will save his people, us, from our sins (Matthew 1:23).

Jesus is God's gift to us — we know we need not walk alone. And this is a vital truth to hold on to, as life was not meant to be easy. The apostle Paul held on to it. He declared, "I can do anything through [Jesus] who gives me strength" (Philippians 4:13). This was not an empty cry as Paul faced severe emotional, physical and spiritual struggles and yet he could still proclaim, "That is why, for Christ's sake, I delight in weakness, in insults, in hardships, in persecution, in difficulties. For when I am weak, then I am strong" (2 Corinthians 12:10). Christ brings strength for the tough days. The apostle Peter, who knew both fear and failure, exhorted, "Cast all your anxiety on him [Jesus] because he cares for you" (1 Peter 5:7). Be assured of His blessings, His consolation and His healing.

May the spirit of Christmas
And the echo of the carols
And the lights of Christmas Tree
Bring happiness and Joy
into your life and home
Wishing you a joyful Christmas
And a Happy, Holy & Prosperous New Year – 2016
