### **Conclusion**

I conclude the report with the words of Jean Piaget **“The goal of education is not to increase the amount of knowledge but to create the possibilities for a child to invent and discover, to create men who are capable of doing new things”**. Our JMJ institution truly keeps a close vigil on the growth and development of the personality of our students through the interactive methods of teaching and learning supported with appropriate field exercises and lab work. On this occasion I wish to express our resolve to bring forth the following proposals to start the next phase of innovative plans. We resolve to introduce one interdisciplinary skill based vocational course to create opportunity for immediate placement for our students and to introduce a PG Course. We plan to introduce an English Language Training Centre to train students to improve their communication skills and to construct an Indoor Stadium for our students.

In our mission and commitment to higher education, we are grateful to many individuals who support us, collaborate with us and work tirelessly to ensure the smooth functioning of our day to day activities.

I take this opportunity to thank all the distinguished guests who have honoured us with their presence **Dr. M. Malakondaiah**, IPS, DGP, AP, **Dr. N. Geethanjali**, Joint Director, Commissioner of Collegiate Education, Andhra Pradesh, **Mrs. T. Vasantha Lakshmi**,
