MOVING FORWARD IN HOPE

Like the entire founder Jesuit Fathers, who began without road maps and guarantees but with energy and conviction, may we move forward to the frontiers of higher education of our college with courage, trusting that we are doing a share of God's life-giving work. May the creative fidelity to the founding charism of Ignatius of Loyola, the founder of the Jesuits, and the patron saint of our college, inspire all of us to form our students with competence, conscience and compassionate commitment to be men and women for others serving God and the Nation. Today, as we recall the blessings we have received, let us pray with grateful hearts

Dear Creator and Lord,

Take and receive these gifts you've given us, uniting us, that we might bring unity and peace to our world. Give us only your love and your grace, and will be freed enough, to give all that we have and are for your greater glory and the service of others.

God Bless us All
