Activity: Entrepreneur ship awareness programme

Date: 04-02-2023

No. of benefitted students: 48

The Department of Commerce organized an Entrepreneurship Awareness Programme on February 4, 2023, at 3:00 PM to instill knowledge among students about becoming future entrepreneurs. As part of this initiative, all final-year students visited various retail shops in Tenali town, including book stalls, clothing stores, shoe stores, and mobile phone shops.

During the visit, students gained insights into starting a business, the necessary documents and registration forms, and the government support available for new entrepreneurs. This hands-on experience helped them understand the practical aspects of running a business.

The students were accompanied by Dr. M. Sambasivudu, Dr. G. Sudhakariah, and M. Vanaja, who guided and assisted them throughout the visit. The programme provided valuable exposure to real-world business operations, inspiring students to explore entrepreneurship as a career path. Students divided into three groups for thorough observation at different shops. A total of 48 students benefitted by the activity.

Dr. M. Sambasivudu, HoD, Commerce & Mrs. M. Vanaja, helping students at shops to explore entrepreneurship as a career through the activity.
