Report on National Webinar “English Language: The Hard journey through Centuries”

6th June 2020

The Department of English conducted one day National Webinar on ‘English Language: The hard Journey through centuries’ on 6th June 2020. Dr.Sr.Shiny K.P Principal enlightened the gathering with opening remarks and the importance of English language from centuries. Dr. N. Vimala Devi HOD of English welcomes the chief guest. Dr. G. Jyothi Olivia presented a brief note on significance of seminar.

The Chief Guest Prof. LAL C.A., University of Kerala delivered that The English language is and always has been a diverse entity. It has changed dramatically over the centuries since it first arrived on the shores of Britain from the north of Europe, and these changes mean that the language that was spoken at that time is almost incomprehensible to us now. As the language has spread beyond Britain it has continued to change, and to change in different ways in different contexts, It has played a fundamental role in plenty of fields including medicine, engineering and, of course, education. Likewise, learning English is a real milestone in our life whereby we will make our dreams come true.

There were 200 numbers of participants from different academic institutions including PG students, research scholars and faculty members. The session ended with a vote of thanks.

Overall, the webinar was ended successfully.
