Report on the Internship Programme

Early Childhood Care And Education (ECCE)

FROM 11.07.2018 to 31.07.2018

JMJ College for Women (A), Tenali, in collaboration with St. Joseph's Upper Primary School, Chinaravuru, Tenali, conducted a 21-day internship program from 11th July 2018 to 31st July 2018 for final-year B.Sc. Home Science students. This internship aimed to provide hands-on teaching experience, enhance lesson planning skills, and develop classroom management and student assessment techniques.

Interns engaged in lesson planning, interactive classroom teaching, and student evaluation under the guidance of experienced mentors who provided constructive feedback and professional support. The program included training sessions on classroom management, student engagement, and evaluation methodologies to equip interns with effective teaching strategies. MJM College ensured that students were well-prepared before starting the internship, while both institutions emphasized professionalism, discipline, and ethical teaching standards.

Interns gained practical knowledge in curriculum designing, including annual, terminal, monthly, and weekly planning, along with the preparation of essential teaching aids. Conducting parent-teacher association meetings helped them to know the impact of various parenting styles.

The collaboration between the two institutions resulted in a valuable learning experience, enabling interns to gain practical teaching knowledge and boosting their confidence as future educators. Additionally, the internship program facilitated an opportunity for interns to explore different pedagogical approaches, adapt to varied learning needs, and implement innovative teaching methods in a real classroom environment.

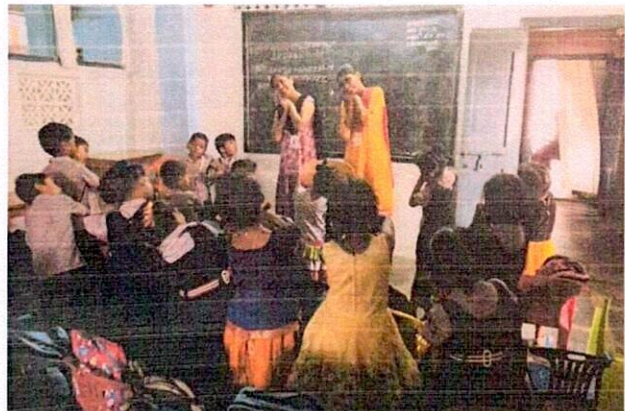

Furthermore, the experience provided interns with a platform to enhance their communication skills, teamwork abilities, and problem-solving capabilities, preparing them for future careers in education and beyond.

Report on English Language and Communicative English Training by ILM (Institute of Language Management)

Introduction:

JMJ College for Women has always been committed to fostering a conducive environment for English language proficiency among its students. In pursuit of this objective, the college has partnered with ILM (Institute of Language Management) located in Bangalore in 2018-19 and 2019-2020 academic Years. ILM specializes in teaching communicative English, with a strong emphasis on etiquette and manners, recognizing their significance in effective communication. The institute, under the leadership of Mrs. Ronila Kalro and Mr. Sanjay Subramanya, prioritizes holistic development through campus-based teaching methods and diverse activities. Mr. Mahesh, an experienced trainer from ILM, facilitated the training sessions.

Training Objectives:

The training aimed to achieve the following objectives:

- Develop proficient listening and reading skills to enhance comprehension.
- Enhance speaking ability and presentation skills through group coordination on contemporary topics.
- Expand vocabulary to enrich both spoken and written communication.
- Cultivate proper body language to effectively express ideas and opinions.
- Overcome stage fear and build self-confidence by articulating views in English

Training Schedule:

The language and communication skills training program ran from 02.08.2018 to 20-02-2019, with dedicated hours allocated each day as follows:

Day	Class	Time
Monday	I Degree	2.30 – 3.30 PM
Tuesday	II Degree	11.30 AM -12.30 PM
Wednesday	III Degree	3.30-4.30 PM
Thursday	II Degree	11.30-12.30 AM
Friday	I Degree	2.30 – 3.30 PM

Training Overview:

During the initial term (July-August), the training sessions focused on foundational language skills, emphasizing communicative English, group discussions, public speaking, personality

development, and vocabulary enhancement. Students actively participated in these activities, thereby refining their speaking abilities.

The subsequent term introduced a variety of engaging activities such as the "Rolling Trophy" and "Medal of Honour," along with sessions on speaking and writing skills, body language demonstrations, presentation skills, group presentations, and reading and listening exercises. The curriculum also included aptitude development activities.

Outcome:

The training program yielded several notable outcomes:

- Increased confidence in using English language.
- Development of real-life language skills through engaging activities on familiar topics.
- Improvement in all four language skills, particularly listening and speaking.
- Exposure to collaborative learning and teamwork dynamics.

Conclusion:

The partnership between JMJ College for Women and ILM has proven highly beneficial in enhancing students' English language proficiency and communication skills. The comprehensive training approach, coupled with interactive activities, has equipped students with the necessary tools to excel in both academic and professional spheres.

DEPARTMENT OF ZOOLOGY

REPORT ON FIELD TRIP

Place: - Poultry Farm- Kopalle and Gudivada

Date: - 5.07.18

Time: - 1.30 to 5.00p.m

Class: - III.B.Sc A/S & B/S C.B.Z.Students.

Staff Incharge: Ms.M.Adilakshmi&Ms.M.Aruna

We started from the college at 1.30pm to reach Poultry farm at Gudivada. Students observed cage system of poultry farming – layers .Single comb, white leghorn layers are rearing in the farm. 4 layers are kept in each cage. Cages are arranged in tiers in four sheds . Feed channel, egg receiving gutter and tap water system with nipple drinkers are provided. They got information about the management of rearing of layers like vaccines, deworming, debeaking, dubbing, egg laying capacity, culling, use of litter and excreta, marketing and economic importance. Cage system is very useful to recognize and isolate the infected fowls from other healthy fowls. The Manager explained about the composition of poultry feed and showed the preparation of their own poultry feed.

Then we proceeded to rearing of Broiler in deep litter system at Kopalle. The owner explained in detailed about the types of chick meal, timings, types of vaccines, precautions, deworming, debeaking, identification and isolation of infected birds, ventilation, maintenance of temperature and marketing. He also showed samples of vaccines with companies what they used .

Through this field trip , students came to know the management of poultry farm i.e. layers and broilers and gained practical experience.

DEPARTMENT OF ZOOLOGY
REPORT ON FIELD TRIP TO FISH POND

Place: - Kuchipudi and Pedaravuru

Date: - 09/08/18

Time: - 12.30to 3.30p.m

Class: - III.B.Sc A/S & B/S C.B.Z.Students.

A field trip is arranged to visit **Vamsikrishna fish breeding centre at Kuchipudi and Pedaravuru**. 56 students of III B.Sc C.B.Z and staff members of zoology department Mrs.M.Aruna and Dr.P.Bujamma visited the fish breeding centre from 12.30 to 3.30p.m.

The technician i.eMr.Gopi explained about cement hatcheries, Chinese hatcheries, Jar hatcheries, and breeder tank and nursery ponds. As it is breeding season of Indian major carps, the pituitary hormone injection is given to induce breeding in Catla and Rohu. They observed the process of induced breeding in Catla. Spawn is collected from breeder tank & kept in Chinese hatcheries for 3 days. Next fry is collected from hatcheries and kept in nursery ponds for further growth of fingerlings. This is collected and measured in measuring cups. Then seed is kept in polythene bags containing 2/3 of transport medium and 1/3 of oxygen. The seed containers are filled with oxygen and transported to fish rearing ponds. Rearing ponds are prepared for acclimatization of fish seed with removal of aquatic weeds and netting of predators. Students estimated the PH value, Temperature, collection of plankton and also collected the sample for the estimation of oxygen.

Out come: The field trip helped the students to have practical experience. Whatever they learned in the class room, they observed it in the field itself. It also encourages the students to realize the importance of self-employment.

REPORT ON ENDOWMENT LECTURE

Date: 30.11.18

Venue: IV Block, Seminar hall

Participants: All Degree C.B.Z and Intermediate students

Department of zoology arranged an Endowment Lecture in loving memory of Mrs.K.Emma Mary, Late Former Lecturer in zoology on ” **Classification and brief description of various types of Hypersensitivity**”. Dr.N.Ankamma, Assistant professor,Department ofZoology,Govt. Degree college for women Guntur invited as resource person. She gave a detailed information about the Hypersensitivity i.e. definition, causative factors like drugs, air borne particles, food stuffs, infectious organisms and blood transfusion, classification i.e. Type I, Type II,Type III,Type IV &Type V, Autoimmunity and Immunodeficiency.Students were enlightened by this lecture. Significance of the day was given by Mrs.M.Aruna,HOD of Zoology, and introduced the guest by S. SaiDeepthi, III B.Sc.The entire programme was organized by III B.Sc students. Endowment lecture was sponsored by the faculty members of zoology department.

DEPARTMENT OF ZOOLOGY
REPORT ON GUEST LECTURE

Department of zoology was arranged a guest lecture on “**Structure and functions of major histocompatibility complexes and Cytokines**” for III B.Sc CBZ students on 28.1.19 at 10.00 am in the zoology lab I .Mr.M.Satyaprasad, Lecturer in Biotechnology, NVR&KSR Gupta Degree College, Tenali was the resource person. He explained about the Antigen, Antibody, Immune response, Properties and functions of Cytokines, Nomenclature i.e Interleukins, Chemokines, Necrosis, colony stimulating factor, Tumor necrosis factor, Major histocompatibility complexes i.e Structure of MHC class-I, MHC class-II and functions.

Practicals: He also explained and demonstrated the ELISA –Indirect Elisa test, Direct Elisa test, Malarial test and Pregnancy test etc.

Students gained the knowledge about Structure and functions of major histocompatibility complexes and Cytokines and practical experience.

Report on Endowment Lecture on Thermodynamics
Conducted on 16.02.2019

On February 16, 2019, the Department of Chemistry, JMJ College for Women (Autonomous), Tenali, hosted an endowment lecture on "Thermodynamics". Dr. N.J..Solomon Babu from the Department of Chemistry, Andhra Christian College, Guntur was the Resource Person. The lecture, attended by I B.Sc CBZ students, aimed to deepen their understanding of thermodynamics, covering its fundamental laws, practical applications, and contemporary research developments. Dr. N.J..Solomon Babu explained the Zeroth, First, Second, and Third Laws of Thermodynamics, illustrated how these principles apply to biological systems, chemical reactions, and engineering, and discussed recent advancements in the field. The interactive session saw enthusiastic student participation, with Dr. N.J..Solomon Babu providing clarifications and practical insights. Feedback from students was highly positive, highlighting the lecture's clarity, relevance, and the effective connection of theoretical concepts to real-world scenarios. The event successfully enhanced the students' comprehension of thermodynamics and underscored its importance in scientific and industrial contexts.

Guest of Honor : Dr. N.Viajayalakshmi,M.A,Ph.D
Government Women's College, Guntur

The Department of Telugu organized a guest speech on the occasion of International Mother Language Day on 20-03-2019 and the chief guest Dr. N Vijaya Lakshmi gave a speech and explained the importance of Telugu language and the preservation of Telugu language to the students and said that the language department announced the decision to hold the International Mother Language Day on 21st February every year. He said that it is everyone's duty to protect the beauty of our language, and everyone should pay attention to this matter. In this program, students of Telugu department, first degree students and the management of the college participated.

Outcome:.

It is easier for children to develop reading and writing skills in a language they are already familiar with.

Proficiency in one's mother tongue facilitates better communication within the community and family
