REPORT ON FIELD TRIP**

Place: - Poultry Farm - Kopalle and Gudivada

Date: - 08.10.21

Time: - 1.00 to 5.00p.m

Class: - III.B.Sc A/S & B/S C.B.Z.Students.

Staff Incharge: Ms.M.Aruna & Dr.P. Bujjamma

We started from the college at 1.00pm to reach Poultry farm at Gudivada. Students observed cage system of poultry farming – layers .Single comb, white leghorn layers are rearing in the farm. 4 layers are kept in each cage. Cages are arranged in tiers in four sheds. Feed channel, eggs receiving gutter and tap water system with nipple drinkers are provided. They got information about the management of rearing of layers like vaccines, deworming, debeaking and dubbing, egg laying capacity, culling, use of litter and excreta, marketing and economic importance. Cage system is very useful to recognize and isolate the infected fowls from other healthy fowls. The Manager explained about the composition of poultry feed and showed the preparation of their own poultry feed.

Then we proceeded to rearing of Broilers and Layers in deep litter system and also observed the rearing of Chicks in Cages at Kopalle. The owner explained in detailed about the types of chick meal, timings, types of vaccines, precautions, deworming, debeaking, identification and isolation of infected birds, ventilation, maintenance of temperature and marketing. He also showed samples of vaccines with companies what they used.

Report
Training on Accounting (Internship Programme)
10th November 2020 to 20th January, 2021

The Department of Commerce at JMJ College for Women (Autonomous), Tenali, in collaboration with Kumar Pumps and Motors - Sri Lakshmi Ganapathi Engineering Works, organized a training program on accounting for B.Com Computer students from 10th November, 2020, to 20th January, 2021.

A total of 15 students participated in this internship, gaining practical exposure to accounting practices over a duration of 18 days each. The training was conducted in three phases, with students assigned specific dates between November 2020 and January 2021.

During the internship, students enhanced their understanding of financial transactions, bookkeeping, and computerized accounting systems, bridging the gap between theoretical knowledge and practical application. This hands-on experience equipped them with essential skills for future career opportunities in the field of commerce and finance.

JMJ COLLEGE FOR WOMEN (A), TENALI
Field Visit to Sivaram Dairy Pvt. Limited, Chavali on 15.02.2021

On February 15th, 2021, the II B.Sc CBZ students from JMJ College for Women (A), Tenali, visited Sivaram Dairy Pvt. Limited in Chavali, Vemur Mandal to enhance their academic and technical skills. The visit included a warm welcome, an introductory session about the dairy's history and products, and a comprehensive guided tour of the facility. Students observed the milk reception, pasteurization, fermentation, and packaging processes, and learned about quality control in the lab. They also participated in demonstrations of dairy processing techniques and engaged in an interactive session with experts, discussing topics like microbiological quality control and biotechnology in dairy production. This hands-on experience provided the students with practical insights into the dairy industry, bridging the gap between theory and practice, and inspiring them to explore careers in dairy and food processing.
