Report

Workshop on Interconnection of Computer Networks conducted on 28.06.2022

On June 28th, 2022, a workshop on the Interconnection of Computer Networks was held at JMJ College for Women, Tenali. The event was graced by Dr. D. Indumathi, Associate Professor in the Department of Computer Science at the St. Aloysius Degree College, PSK Road, Bangalore, Karnataka, who served as the resource person for the day.

Dr. Indumathi delivered an enlightening session, specifically designed for the Computer Science students. She covered various crucial aspects of computer network interconnection, shedding light on both theoretical concepts and practical applications. Her expertise and engaging delivery style provided the attendees with a comprehensive understanding of how interconnected networks operate, the challenges faced in network interconnection, and the emerging trends in this field.

The workshop was highly interactive, with students actively participating in discussions and practical demonstrations. Dr. Indumathi's session not only enhanced the students' knowledge but also inspired them to delve deeper into the subject matter, fostering a greater appreciation for the complexities and innovations within computer networking.

Overall, the workshop was a significant success, contributing greatly to the academic and professional growth of the participants.

Report

Workshop on Research Methodology

Conducted on 23.07.2022

The Department of Economics of JMJ College for Women, Tenali organized Workshop on Research Methodology on July 23, 2022, in the IAQC Room, attended by 55 students. Prof. Dr. Pardeep Kumar from St Joseph's College (Autonomous), Tiruchirapalli, Tamilnadu, the keynote speaker, emphasized the importance of research as a translation of knowledge into action, highlighting its societal relevance and the necessity for it to be contemporary. He outlined the essential attributes of a critical scholar, such as scientific integrity, objectivity, and thoroughness in acknowledging sources. Dr. Kumar explained various research methods, including Prognosis, Creative, Experimental, and Prescriptive research, and discussed the critical role of internal and external criticism. He also detailed the necessary components of a research proposal, stressing the importance of articulating the significance of the research topic. The students found the lecture highly beneficial for their academic and future research endeavors and expressed their gratitude to Dr. Kumar and the Department of Economics for organizing the event.

**DEPARTMENT OF ZOOLOGY
REPORT ON FIELD TRIP**

Place: - Poultry Farm - Kopalle and Gudivada
Date: - 02.08.22
Time: - 1.00 to 5.00p.m
Class: - II.B.Sc A/S & B/S C.B.Z.Students.
Staff Incharge: Ms.M.Aruna

We started from the college at 1.00pm to reach Poultry farm at Gudivada. Students observed cage system of poultry farming – layers .Single comb, white leghorn layers are rearing in the farm. 4 layers are kept in each cage. Cages are arranged in tiers in four sheds. Feed channel, eggs receiving gutter and tap water system with nipple drinkers are provided. They got information about the management of rearing of layers like vaccines, deworming, debeaking and dubbing, egg laying capacity, culling, use of litter and excreta, marketing and economic importance. Cage system is very useful to recognize and isolate the infected fowls from other healthy fowls. The Manager explained about the composition of poultry feed and showed the preparation of their own poultry feed.

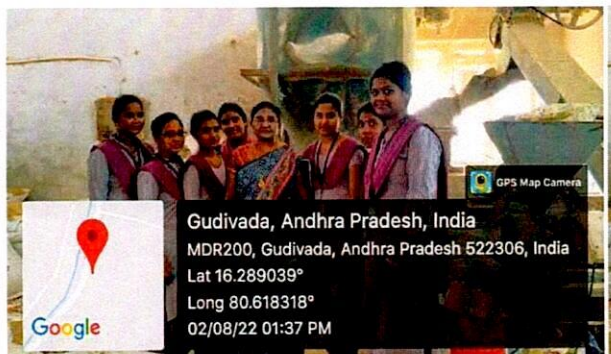

Then we proceeded to rearing of Broilers and Layers in deep litter system and also observed the rearing of Chicks in Cages at Kopalle. The owner explained in detailed about the types of chick meal, timings, types of vaccines, precautions, deworming, debeaking, identification and isolation of infected birds, ventilation, maintenance of temperature and marketing. He also showed samples of vaccines with companies what they used.

Outcome: Through this field trip, students came to know the management of poultry farm i.e. Chicks, layers and broilers and gained practical experience.

Report on
ENDOWMENT LECTURE – 07.08.2022
‘The Importance of Received Pronunciation in Communicative English’

An Endowment Lecture on “**The Importance of Received Pronunciation in Communicative English (RP)**” was held on **07.08.2022** from 10.A.M to 12:30 P.M at Mini Auditorium for I Degree Students. The lecture aimed to provide an in depth understanding of the sounds & Pronunciation of English, focusing on Phonetics as a crucial component of language learning.

The Lecture was delivered by Dr. Bala Sowri Ande, Associate Professor of English, Hindu College, Guntur, a distinguished Linguist and expert in English Phonetics. The lecture delved into articulator phonetics, exploring how speech sounds are produced regarding the various organs involved in speech production, including the lungs and vocal cords. Dr. Bala Sowri introduced the “International Phonetic Alphabet” and the use of symbols for English Vowels and Consonants to understand & practice Pronunciation. He offered practical strategies to overcome the challenges for improving articulating and Intonation. The Lecture included an interactive session.

The Endowment Lecture on English Phonetics was an enlighten & enriching experience for all the participants. Dr. N. Vimala Devi, HOD of English extends our gratitude to Dr. Bala Sowri for delivering an outstanding Lecture. Around 85 students were participated with great enthusiasm.

Report

Workshop on Guidance and Counseling
Conducted from 22.08.2022 to 26.08.2022

Time: 10:30 AM to 11:30 AM

From August 22 to August 26, 2022, JMJ College for Women (A), Tenali, hosted an intensive workshop focused on Guidance and Counseling. The workshop was conducted by Dr. T. Swarupa Rani, Principal of St. Joseph's College of Education for Women, Guntur. Held daily between 10:30 AM to 11:30 AM, the sessions aimed to enhance the faculty's pedagogical skills by providing a thorough understanding of effective guidance and counseling techniques. Dr. Swarupa Rani provided expert insights on how to support students' academic, emotional, and career-related needs, equipping the faculty with essential skills to foster a supportive educational environment. The interactive sessions included practical exercises and discussions, allowing participants to engage deeply with the material and apply the concepts to real-life scenarios

Report

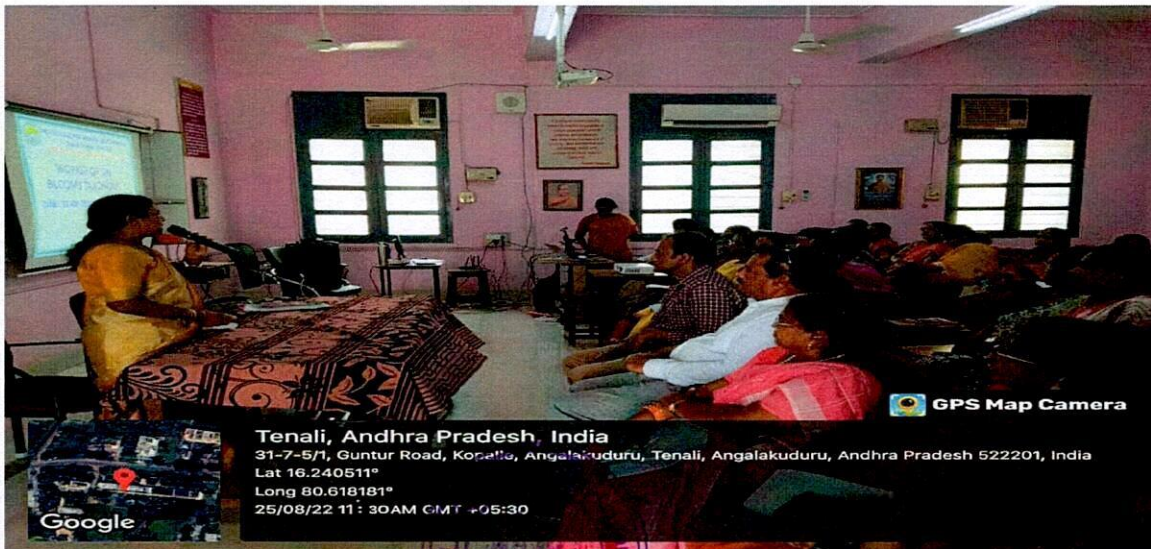

Workshop on BLOOMS TAXONOMY

Conducted from 22.08.2022 to 28.08.2022

Time: 11:30 AM to 12:30 PM

From August 22 to August 28, 2022, JMJ College for Women (A), Tenali, hosted an intensive workshop focused on Bloom's Taxonomy. The workshop was conducted by Dr. T. Swarupa Rani, Principal of St. Joseph's College of Education for Women, Guntur. Designed for the faculty members of JMJ College, the workshop aimed to enhance their pedagogical skills by providing a thorough understanding of Bloom's Taxonomy.

Over the course of the week, Dr. Swarupa Rani elucidated the hierarchical model which classifies educational learning objectives into levels of complexity and specificity: remembering, understanding, applying, analyzing, evaluating, and creating. Through a combination of lectures, interactive sessions, and practical exercises, she demonstrated how these cognitive domains can be integrated into curriculum planning and instructional strategies. The participants engaged in discussions and activities that highlighted the application of Bloom's Taxonomy in crafting lesson plans, developing assessment tools, and fostering a more analytical and creative approach to learning. This workshop equipped the faculty with the tools to enhance their teaching effectiveness, ultimately aiming to improve student outcomes by promoting higher-order thinking skills.

REPORT ON THE TRAINING PROGRAMME ON
COMMUNICATIVE ENGLISH
21 - 26 November, 2022

Introduction

Department of English, MJM College for Women, Tenali, organized a Training Programme on Communicative English from 21st November 2022 to 26th November 2022. The primary objective of the programme was to enhance the English language proficiency of degree students, enabling them to communicate effectively in academic and professional settings. The training was conducted by Mr V.ESWAR, the Academic Director of English for You Job Training Centre, Guntur, Andhra Pradesh.

Objectives of the Programme:

The main objectives of the programme were:

- To improve student's spoken and written English.
- To enhance their confidence in communication.
- To develop listening, speaking, reading, and writing (LSRW) skills.
- To familiarize students with interview techniques and public speaking.
- To strengthen pronunciation, vocabulary, and grammar skills.

Training Methodology

The programme employed interactive and practical teaching methods to engage students effectively. The key methodologies included:

- Lectures and Presentations by Mr. V. Eswar on essential communication skills.
- Group Discussions and Debates to improve fluency and analytical thinking.
- Role-Playing and Mock Interviews to simulate real-life scenarios.
- Listening and Pronunciation Exercises for accent clarity and improvement.
- Grammar and Writing Practice for sentence structure and coherence.

Day-wise Overview of the Sessions

Day 1 (21st Nov 2022):

- Introduction to Communicative English and its significance in professional life.

Day 2 (22nd Nov 2022):

- Basics of grammar, sentence structuring, and common errors.

Day 3 (23rd Nov 2022):

- Speaking skills – pronunciation, fluency, and confidence- building activities.

Day 4 (24th Nov 2022):

- Listening comprehension, vocabulary enhancement, and communication strategies.

Day 5 (25th Nov 2022):

- Public speaking, debate sessions, and real-time conversational practice.

Day 6 (26th Nov 2022):

- Mock interviews, individual assessments, feedback, and certificate distribution.

Feedback

The training sessions witnessed enthusiastic participation from 52 degree students, who showed marked improvement in their confidence, fluency, and language accuracy. Students appreciated the interactive and student-centered approach of Mr.V.Eswar, which helped them overcome their hesitation in speaking English. Faculty members observed that the students gained valuable communication skills and became more confident in expressing their ideas. The feedback received from students was overwhelmingly positive, and many expressed their willingness to attend similar training programs in the future.

Conclusion

The Training Programme on Communicative English was highly successful in fulfilling its intended objectives. The initiative helped students enhance their language skills, presentation abilities, and overall personality development. The management and faculty of JMJ College for Women expressed their sincere gratitude to Mr.V.Eswar for his valuable contribution. Further such programs are encouraged to continue benefiting students in the future.

Report on

Invited Talk on IPR Strategies required for Innovative Research

Conducted on 18th October, 2022

Invited Talk on "IPR Strategies Required for Innovative Research" was organized at St. Albert's College (Autonomous), Ernakulam, Kerala, on October 18, 2022. Dr. N. Vimala Devi, the Head of the Department of English at JMJ College for Women, Tenali, served as the esteemed Invited Speaker. Drawing upon her expertise, Dr. Devi delivered a comprehensive discourse on intellectual property rights (IPR) and their pivotal role in fostering innovative research practices. She elucidated various strategies for safeguarding intellectual assets, navigating patent regulations, and maximizing the impact of research outputs. The lecture resonated particularly well with the research scholars of Kerala, offering them invaluable insights into the intersection of intellectual property and scholarly pursuit. Dr. Devi's engaging presentation undoubtedly equipped the attendees with the knowledge and tools necessary to navigate the intricate landscape of IPR, thereby empowering them to contribute meaningfully to the realm of innovative research.

Industrialists and Students Get Together Meeting
Collaborative Event Summary

Event: Industrialists-Students Get Together Meeting

Location: Guntur Collaborator: Pasteur Education and Research Training Laboratory

Purpose: The event aimed to bridge the gap between academia and industry by facilitating meaningful interactions between students and industrialists

Participants: The event saw active participation from students pursuing various disciplines and professionals representing diverse industries

Activities:

Panel Discussions: Engaging panel discussions were conducted, focusing on industry trends, career opportunities, and the importance of industry-academia collaboration

Networking Sessions: Students had the opportunity to network with industrialists, exchanging ideas and insights

Workshops: Skill-building workshops were organized to enhance students' knowledge and practical skills relevant to the industry

Summary:

The Industrialists-Students Get Together Meeting held at Guntur in collaboration with Pasteur Education and Research Training Laboratory was a successful event that fostered valuable connections between students and industry professionals.

The success of this event underscores the importance of ongoing collaboration between educational institutions and industries. Professional Development: Similar events in the future can further facilitate students' professional development and industry readiness.

JMJ College for Women Students' Short-Term Internships at PEARLS Lab:Guntur

Report (Oct- Nov 2022)

Summary: The short-term internships of JMJ College for Women III Degree students at the PEARLS Lab, Guntur, conducted from October 1st to November 30th, 2022, marked a period of fruitful collaboration and experiential learning. Here's a concise report summarizing the key highlights of the program

Objectives: The internships aimed to provide students with hands-on exposure to research and development activities in a professional laboratory environment, fostering their academic and professional growth

Participants: A cohort of motivated students from diverse academic disciplines at JMJ College for Women participated in the internship program, showcasing their eagerness to gain practical experience in their respective fields

Activities: Orientation and Training: Interns underwent an initial orientation session followed by comprehensive training in laboratory safety protocols, experimental techniques, and research methodologies

Research Projects: Throughout the internship period, students actively contributed to ongoing research projects at the PEARLS Lab, assisting in data collection, analysis, and experimentation under the guidance of experienced mentors

Workshops and Seminars: Supplementing their practical experience, interns attended workshops and seminars conducted by industry experts, covering topics relevant to their areas of interest and fostering interdisciplinary learning

Outcomes

Practical Skill Development: Interns acquired hands-on experience in conducting experiments, handling laboratory equipment, and analyzing research data, enhancing their technical competencies and scientific acumen

PRINCIPAL
JMJ COLLEGE FOR WOMEN (Autonomous)
TENALI

Professional Growth: The internship experience facilitated the development of essential soft skills such as teamwork, communication, and problem-solving, preparing students for future academic pursuits and career opportunities

Networking and Collaboration: Interns had the opportunity to interact with researchers, industry professionals, and peers, fostering networking opportunities and promoting collaboration within the academic and scientific community

Overall, the short-term internships of JMJ College for Women students at PEARLS Lab during October and November 2022 were a resounding success, empowering participants with valuable skills, knowledge, and experiences that will shape their future academic and professional endeavor

JMJ College for Women Students' Semester End Internships at PEARLS Lab: Guntur

Report (Nov. 2022- Feb 2023)

The Semester End Internships of JMJ College for Women for third-degree students at the PEARLS Lab, Guntur, conducted from November 2022 to February 2023, represented a significant period of fruitful collaboration and experiential learning. During this time, students immersed themselves in the rich research environment of the lab, actively contributing to ongoing projects and expanding their knowledge and skills. Through hands-on experimentation, guided by seasoned mentors, interns gained valuable insights into research methodologies, data analysis techniques, and laboratory protocols.

The program facilitated not only academic growth but also personal and professional development, nurturing critical thinking, problem-solving abilities, and teamwork. The internship period fostered a culture of innovation and collaboration, strengthening the bond between academia and industry while equipping students with the practical experience and expertise necessary for future academic pursuits and career advancement.

Report on Invited Talk**

Lilavati Ganitham

Conducted on 3rd November, 2022

On November 3rd, 2022, MJM College for Women (A), Tenali, hosted an enlightening session titled "Lilavati Ganitham" in the Mini Auditorium. The event featured Mr. Sistla Venkateswara Sarma from the Department of Mathematics, ASN College, Tenali, as the esteemed resource person. The session saw enthusiastic participation from B.Sc Mathematics students, who were keen to delve into Lilavati mathematical concepts. Mr. Sarma's expertise and engaging teaching style made the event a significant learning experience, enriching the students' understanding and appreciation of mathematics

Report On
Faculty Exchange Programme In Collaboration with Andhra Christian College, Guntur
Conducted on 05.11.2022 at JMJ College
At 12.00 Noon
Topic: Cryptography and Network Security

On the 5th of November 2022, JMJ College for Women (A), Tenali, in collaboration with Andhra Christian College, Guntur, organized a Faculty Exchange Programme at 12:00 noon. The event brought together Mathematics faculty from JMJ College for Women and VSR & NVR College, focusing on the vital subject of Cryptography and Network Security.

Dr. K.Moses, the esteemed Principal and Head of the Department of Mathematics at AC College, Guntur, served as the resource person, sharing invaluable insights and expertise in the field. Through engaging discussions, interactive sessions, and practical demonstrations, participants gained a deeper understanding of cryptographic methods and network security measures. The programme not only facilitated knowledge exchange but also fostered meaningful connections and collaborations among faculty members from different institutions, paving the way for future academic endeavors.

Mathematical Modeling

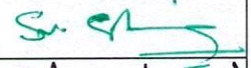

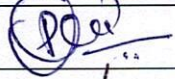

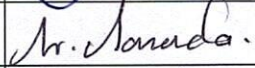

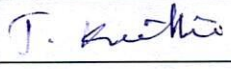

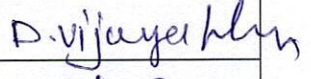

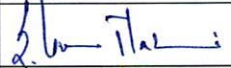

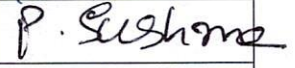

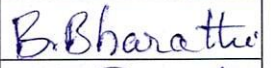

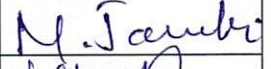

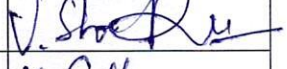

Conducted on 10.11.2022

On November 10, 2022, JMJ College for Women hosted a Faculty Exchange Programme on Mathematical Modeling, featuring Dr. Chitra K.S, Assistant Professor from St Joseph's College for Women, Allappuzha, Kerala, as the resource person. Dr. Chitra 's extensive expertise in mathematical modelling provided valuable insights to the faculty of JMJ College for Women. The session encompassed various aspects of mathematical modeling, including its applications in biological systems, environmental science, and industrial processes. Dr. Chitra 's engaging presentation and interactive discussions significantly enhanced the participants' understanding of the subject, fostering a collaborative and intellectually stimulating environment. This exchange programme exemplified the benefits of academic collaboration, contributing to the professional development of the faculty and the academic enrichment of both institution.

Faculty Exchange Programme on Botany

Conducted on 11.11.2022

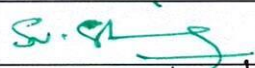

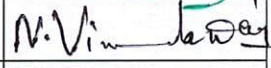

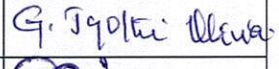

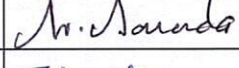

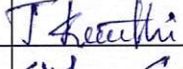

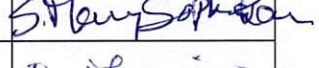

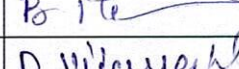

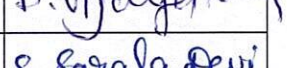

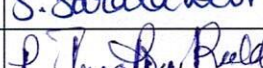

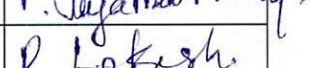

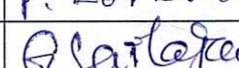

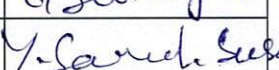

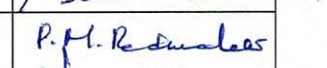

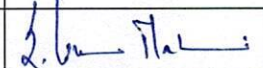

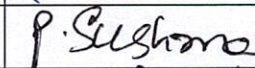

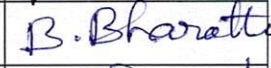

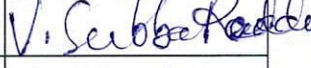

On November 11, 2022, JMJ College for Women (Autonomous), Tenali, in collaboration with Loyola Academy (Autonomous), Jeedimetla, Secunderabad, TS, conducted a Faculty Exchange Programme focusing on Botany. The event featured Dr. Jaya Madhuri, Assistant Professor of Biotechnology at Loyola Academy, as the Resource Person. This programme aimed to foster academic exchange and enhance the pedagogical and research skills of faculty members.

Dr. Madhuri shared her expertise and insights on recent advancements in biotechnology and their applications in botany, enriching the participants' knowledge and contributing to their professional development. The collaboration was a fruitful endeavor, promoting inter-institutional learning and academic growth.

Time: 02.30 P.M to 4.30 P.M

CPPR Cell organized an orientation programme in mini auditorium from 2:30pm to 4:30 pm, with Dimensions coaching center, Guntur, for the entire final, second & first degree students. For III degree students, about Campus Recruitment training and for I, II degree students, about Bank exams, SSC exams, CGL, Group II, III, IV exams, Railway Tech, Non Tech exams, RPF exams and Steno exams , etc,... explained by Mr. Sandeep Kambhampati, Director, Andhra Jyothi Columnist and U. Madhusudan, Ret. Group – I Officer, Hon. Academic advisor of Dimensions Coaching Center, on 11th November 2022 by Mr. Sandeep Kambhampati explained that without having a proper practice and determination, grabbing a Govt or Central Govt or even a campus recruitment is not at all possible for anyone in this world. By utilizing one's time for practicing with a dynamic guide is a boon for an aspirant. 539 students were participated in this programme .

Report on An introductory and interactive orientation session

DATE: 20.11.2022

Time: 09.00 P.M to 12.30 P.M

CPPR Cell organized an Orientation & Online Registration programme in mini auditorium from 9:00 am to 12:30 pm noon, with Dimensions coaching center, Guntur on 20th November 2022. An introductory and interactive orientation session was held to enlighten the final degree students about various types of communication like verbal, non-verbal, written and oral communication. It was elucidated to the students why communication skills play a prominent and dominant role in achieving their short term and long term career goals. The students were made to realize why communication skills are so vital and pivotal to a successful career and how effective communication skills help them in acing group discussion and interview and in securing their dream jobs. Each student was encouraged to come forward and briefly introduce herself to the other students. And at the end of the programme they made online registrations to join in Dimension Coaching Center. The coaching center offered to take classes for all the final degree students through online by 5:00 pm to 7:00 pm everyday and offline class every Sunday. Total 40 online classes and 8 offline classes are offered by them. In this class they have explained the process of joining to the class and getting their User I'd, Password to join the class. In this session they also gave a brief interpretation about the topics like Reasoning, Arithmetic, Communicative English, General Studies and Pure maths, which the students are going to learn in coming 40 online and 8 offline classes. Total 255 number of students registered to join in the coaching centre through online. 191 students were participated in this programme.

Report on CAMPUS RECRUITMENT TRAINING PROGRAMME
JUST A MINUTE (JAM), VARIOUS SPEED MATHS TECHNIQUES

DATE: 29.01.2023

Time: 09.00 P.M to 12.30 P.M

Dimensions cell continued to organize CRT programme, i.e on 29-1-2023, **JUST A MINUTE (JAM)** session was conducted in which each student was asked to speak about the given topic for a minute. General topics were given such as, **Our College, Pollution and Corona Virus Disease**. The students were advised to use simple words, speak in a clear voice and use simple sentences.

While speaking about "OUR COLLEGE", the students gave various pieces of interesting information like its inception, their Principal and faculty, various departments, different courses, other facilities like big library, auditoriums, large playground etc.

While speaking about "POLLUTION", the students identified various types of pollution like water pollution, air pollution, noise pollution, soil pollution etc and their causes and remedies.

Also the devastating and disastrous effects of Corona Virus Disease on economy, education etc was talk about.

Students' participation in the JAM SESSION was very enthusiastic. The students felt that the JAM SESSION helped them in many ways, like how to process the required information, arrange it in a coherent manner using simple sentences and how to express it in the given one minute time.

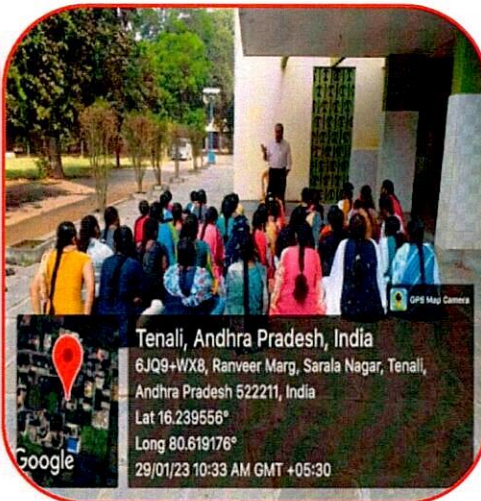

Various speed maths techniques were explained to First and Second Degree students in their week – 3 CRT programme. Also it was shown how to use the INTEGRATED MATHS concept, whenever possible, in finding the solutions quickly. All the problems in the speed maths handout were completed.

About College:

JMJ College for Women, Tenali, was established in 1963 and is managed by the Society of Jesus Mary Joseph. The aim and objective of the college is primarily to serve the minority community and they are given first priority for admission in the college and hostel. It aims at imparting a sound Christian education, keeping in view, the Roman Catholic Mission and Faith under the teaching of Roman Catholic Church. It awakes and inspires in students high ideals of service and social justice. It has contributed a countable measure to the growth and development of higher education in this semi urban area by designing programmes and implementing various strategies in academic administrative and financial functionalities. This has been done with constant commitment to all the stakeholders to deliver quality education to develop competent human resource, required for the social and economic development of the nation.

About IQAC: MJM College was accredited by NAAC in 1999 for the first cycle - Four

Star 73.46, in 2006 for the second cycle - B++ 82.10, in 2013 for the third cycle - B 2.75 and in 2019 for the fourth cycle - B++ 2.93. IQAC established at MJM on 24.07.2004 continued to strive for the betterment of processes and setup.

About FDP:

What is communication? The imparting or exchanging of information by speaking, writing or using some other medium and means of sending or receiving information. Methods of Communication: 1. Verbal communication 2. No verbal communication 3. Visual communication

Verbal communication: It is a method of using words to sharing messages to others in a mutually understandable language.

Non-verbal communication: It is a method of using anything other than words for conveying information. According to Dr. Albert Mehrabian, spoken words only account for 7% of what a listener perceives; 55% goes to the body language and 38% goes to the vocalics or tone

Visual communication: It is a method that relies on visual cues such as pictures, graphics

or illustrations for sharing messages with people.

Communication skills are important to patient safety, customer service, and employee well-being and satisfaction.

Conclusion: Communication is the greatest importance. It is important to sharing out one's thoughts and feelings to live a fuller and happier life. The more we communicate the less we suffer and the better we feel about everything around.

Resource Persons:

Mr. K. Sandeep, Director,

Mr. U. Madhusudan, Director,

Dimensions Coaching Center

Guntur.

**REPORT ON
10- DAY FACULTY DEVELOPMENT PROGRAM**

10- Day Faculty Development program was organized by IQAC on Communication Skills from 7th to 17th February 2023. The seminar started at 2.00 P.M with brief introduction and objectives of FDP and the resource persons, by Dr. Sr. Shiny. K.p, Principal, JMJ College for Women (A), Tenali.

Mr. K. Sandeep, Director, Mr. U. Madhusudan, Academic Director and Mr. Prathap of Dimensions Coaching Centre, were the resource persons. The session started with ice breaking exercise i.e to tell about the person beside me and asked us to share, strengths, weaknesses and hobbies of each individual. On Second day they made us to enact as a news reader and correspondent. On third day Mr. K. Sandeep explained indetail about speaking skills. After that each and every person involved and enumerated the nostalgia with their role models. Finally every one talked about their departmental achievements. On 4th day they focused on drafting a letter to invite chief guest for function and proposal of vote of thanks. On fifth day Mr. K. Sandeep and Mr. G.Prathap conducted quiz competition and group discussion. On sixth day debate was conducted on different topics and also made us to involve in dialogue delivery between shopkeeper & customer and inviting a chief guest by faculty. On Seventh day picture perception test and translation session from Telugu to English followed by dual Conversations were conducted, at the end of the session feedback has done by all the faculty. On eighth day, Mr. Sandeep emphasized about class room speaking skills, teaching skills and how to present our departmental documentary to the NAAC peer team. On 9th day Dr. M. Sambasivudu, HOD, Dept. of Commerce, Ms. Louis, Lecturer, Dept. of Himanities

PRINCIPAL
JMJ COLLEGE FOR WOMEN (Autonomous)
TENALI

and Mrs. B.Bharathi, Lecturer, Dept. of Mathematics gave feedback and proposed vote of thanks after the interaction of the participants with resource person.

47 participants attended for this program from all departments of JMJ College and received certificated.

I hope this Faculty Development program provided an opportunity for faculty to strengthen their knowledge, employability skills and Communication Skills by using advanced English, phonetic – pronunciation and the latest technology. The interaction with the participants was really outstanding.

Valedictory address was given by Dr. Sr. Shiny K.P Principal. Report on 10- day Faculty Development Program was presented by Mrs. M. Aruna, Head of the Dept. of Zoology. Resource Persons were felicitated by the Management. The faculty development program ended with a great inspiration rendered by all participants.

Outcome: Faculty learned about advanced English, phonetic – pronunciation and the latest technology and enhanced their Communication Skills.

REPORT ON
CAMPUS RECRUITMENT TRAINING PROGRAMME

TELEPHONE ETIQUETTE

Date:12-2-2023

- 1) In this session, the students were introduced to **group discussion**. It was explained to them that group discussion is critical as it allows interviewers to analyze candidates on a variety of parameters, including their level of confidence, team work qualities, communication, and leadership qualities, analytical and logical skills. The do's and don'ts of group discussion were clearly explained. The following were the topics given for group discussion.
 1. Advantages and disadvantages of online and offline classes
 2. Reforms in education system
 3. Movies influence on society
- 2) Later, professional **telephone etiquette** tips were given and using role plays students were encouraged to talk to others in various situations on the phone. The following situations were presented.
 1. Complaining to flip kart customer care about defective item delivery.
 2. Complaining about delay in delivery of the ordered item.
- 3) Mock interview was conducted to train the students for the interview round. It was explained how to answer various questions likely to be asked in the interview. Some of the new questions were,
 1. Tell me about yourself
 2. What are your strengths
 3. How much salary do you expect?
 4. Are you willing to work anywhere?
 5. Any questions to the interview panel?
 6. Are you willing to work anywhere?
 7. If you won one crore in a lottery, would you still prefer to work?

Also, some questions were asked from the core subjects of the students.

169 Students participated in all the activities with enthusiasm. They became more confident.

CAREER GUIDANCE, PLACEMENT & PUBLIC RELATIONS CIRCLE JMJ FINAL YEAR STUDENTS - COMMUNICATION SKILLS

This session was meant to be a practice session to assess the preparedness of the students.

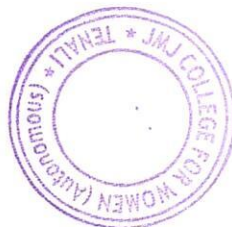

- 1) First, a **JAM session** was conducted. The students were reminded of the DO's and DON'T's. Students were asked to speak about diverse topics given to them in the given one minute time. Students participated with enthusiasm.
- 2) Later a **mock interview session** was conducted. Professional etiquette taught in the previous sessions was reminded and explained again. Students were asked to strictly follow professional etiquette while seeking permission to enter the interview room, greeting the interview panel members, taking seat, sitting with the right posture, answering the questions confidently while maintaining eye contact with the panel members, leaving the room after taking permission etc. The interview panel asked many different questions to test the interviewee's suitability for the job, their attitude, adaptability, sociability, confidence, general awareness etc. They were also asked questions related to their core subjects.

As this was simulating a real interview situation, students got a good idea of how to face it with confidence.

- 3) A **mock group discussion** was also conducted. The students were reminded of the rules to be followed in a group discussion and the need to come to a conclusion at the end, after discussing the given topic among themselves.

Students were given some tips on how to participate in the discussion and how to express their opinions in a polite way.

At the end, the students were asked to give their feedback about the program. Many students came forward enthusiastically to express their honest opinions. They said that the COMMUNICATION SKILLS PROGRAMME offered to the final year students by DIMENSIONS COACHING CENTRE with its highly experienced, professional and competent team really helped them a lot and it gave them the confidence to ace the interview.

JMJ COLLEGE FOR WOMEN (AUTONOMOUS), TENALI
CAREER GUIDANCE, PLACEMENT & PUBLIC RELATIONS CIRCLE
CAMPUS TRAINING PROGRAMME-Group Discussions

1) The focus of this session was to guide and help the students to prepare well for the **GROUP DISCUSSION** as it plays a significant role in the selection process. Some important topics were given to the students and they were asked to think about each of the given topics and write down their ideas and opinions as per their understanding. Some students sought the help of the faculty regarding the choice of words and sentence formation. The students were also encouraged to discuss the topics with others in their group. In this way, the students were able to get some basic idea about each of the given topics which would enable them to participate in the GDs with more confidence. Some additional information was also given to the students which they could include during the discussion.

Next, the student was asked to express her views orally to others in the group.

The following were the topics given for group discussion.

1. Corona – its effects
2. Online classes and offline classes - Advantages and disadvantages
3. Reforms in the education system
4. Influence of movies on society
5. Social media – boon or curse?
6. Online banking
7. Should English be made the official language of India?

The students participated with zeal. They became more confident as they got relevant information with them.

Report on Bank Coaching- one word substitution

In the English section, **one word substitution** questions from the handout were completed.

An important question that frequently appears in the competitive exams is “identifying the **correctly speltword**”. It was explained to the students why the pronunciation and spelling are different for most of the English words. Some very useful techniques to identify the correctly spelt words were explained and using them, the correctly spelt words were identified for the questions given in the handout.

Later, the students were introduced to another interesting topic “**idioms and phrases**”. It was explained to them why each language has its own idioms and phrases based on their mythology, beliefs, social conditions and other factors. It was explained why it is not possible to identify the meaning of an idiom by simply combining the meanings of the individual words present in that particular idiom.. Some very important idioms and phrases in the handout were given their meanings and explained in detail.

The students understood the importance of the above topics and wanted to revise. They participated with enthusiasm.

JMJ FIRST AND SECOND STUDENTS – COACHING FOR COMPETITIVE EXAMS

Date:16.04.2023

In the English section, the balance part of questions from **idioms and phrases** was completed.

Another important question that frequently appears in the competitive exams is “**synonyms and antonyms**”.

Synonyms are words with similar meaning and antonyms are words with opposite meaning. Knowledge of synonyms and antonyms plays a crucial role. It was explained to the students that such knowledge helps the students to enhance their vocabulary, improve their reading and writing skills. They will get to know which particular word from a synonyms group is apt in expressing a particular idea. Sometimes it is best to express an idea using an antonym instead of using a synonym.

Synonyms and antonyms questions from the handout were completed.

The students understood and appreciated the importance of learning synonyms and antonyms. They participated with enthusiasm and also got many of their doubts clarified while answering some questions.

107 students participated in this programme.

Report on

Guest Lecture on Innovative Teaching Strategies in Mathematics

Conducted on 10.12.2022

On December 10, 2022, St. Ann's College of Education (Autonomous), Secunderabad, Telangana, in collaboration with MJM College for Women (A), Tenali, hosted a Guest Lecture on "Innovative Teaching Strategies in Mathematics." The event featured Mrs. P. Sushma from the Department of Mathematics at MJM College as the Resource Person. Mrs. Sushma delivered an engaging and informative session, highlighting the importance of active learning techniques, the integration of technology in teaching, the flipped classroom model, and the use of manipulative and visual aids to enhance student understanding.

The lecture also covered innovative assessment methods aimed at providing ongoing feedback to students. The interactive nature of the session allowed participants to actively engage with the content and gain practical insights into applying these strategies in their own classrooms. The collaboration between the two colleges underscored the significance of continuous professional development in education, leaving attendees with valuable tools to improve their teaching practices and student outcomes in mathematics

Report on Guest Lecture on Soft Skills: Positive Attitude

Conducted on 12.12.2022

On December 12, 2022, the Department of English at JMJ College for Women (A), Tenali, hosted a guest lecture on the topic of "Soft Skills: Positive Attitude." The session was led by Mrs. Devi Priya from the Department of English at VSR & NVR College, Tenali. Mrs. Priya emphasized the importance of maintaining a positive attitude in both personal and professional settings. She provided valuable insights into how a positive mindset can enhance communication, teamwork, and overall effectiveness. The lecture was well-received by the students, who actively participated and engaged with the content, reflecting the success of the event in fostering essential soft skills among the attendees.

JMJ College for Women (A) Tenali
Report on 2 Day -Workshop on Success stories of Entrepreneurs
Conducted on 28 – 29 October, 2022

Two days workshop was organized on Success Stories of Entrepreneurs from October 28, 2022, to October 29, 2022, for the Entrepreneurs Development Cell students. Dr. B.Penchalaiah, Professor and Director of St. Mary's Group of Institutions, Guntur, was the resource person. He began the session by emphasizing that success stories are nothing short of inspiring and continually prove that anything is possible. According to him, with the will to accomplish, one can achieve great things. He also explained the qualities essential for achieving success

Dr. Penchalaiah defined an entrepreneur as an individual who creates a new business, bearing most of the risks and enjoying most of the rewards. Entrepreneurs are commonly seen as innovators, sources of new ideas, goods, services, and business procedures. They play a key role in any economy, using the necessary skills and initiative to anticipate needs and bring innovative ideas to market

On the next day, Dr. Penchalaiah shared success stories of Indian entrepreneurs through a Power Point presentation. These stories were intended to inspire the students to strive to become successful entrepreneurs and create their own success stories. He encouraged the students, as future pillars of society, to aim for entrepreneurial success.

In the afternoon, 15 students were taken by the committee members to the industrial area of Tenali to visit Nagasai Sweets to show the process of marketing and business. Another 20 students who were interested were taken to a different location, emphasizing hands-on learning experiences in local businesses.

One Day Seminar on “Ascent of Artificial Intelligence in the Innovative World”

On January 9, 2023

On January 9, 2023, St. Philomena’s College (Autonomous), Mysore, Karnataka, hosted a one-day Seminar titled "Ascent of Artificial Intelligence in the Innovative World." The seminar focused on exploring the advancements and impact of artificial intelligence in various sectors. Dr. Sr. Amul, Head of the Department of Computer Science at MJM College for Women, Tenali was one of the key Resource Persons. She delivered an insightful presentation on the historical development, technological innovations, and diverse applications of AI, while also addressing the ethical considerations associated with its widespread adoption. The event featured various sessions and interactive workshops, providing participants with a comprehensive understanding of AI and its future prospect

Dr.Sr.Amul , HoD, of Computer Science was one of the Resource Person

Training on English Communication Skills
Conducted on 23.01.2023

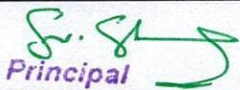

On January 23, 2023, JMJ College for Women in Tenali, conducted a comprehensive training session on English Communication Skills at MBA Seminar Hall. The session was facilitated by Mr. Chethan M., Assistant Professor and Head of the English Department at Teresian College from Mysore, Karnataka. The primary participants were Special English students from JMJ College, who engaged in a series of interactive activities and practical exercises aimed at enhancing their proficiency in spoken and written English. Mr. Chethan M. provided in-depth insights into effective communication strategies, covering essential skills such as listening, speaking, reading, and writing. The session included role-playing exercises to simulate real-life communication scenarios, thereby boosting the students' confidence and fluency. The training was well-received, with personalized feedback given to each participant, highlighting their strengths and areas for improvement.

Overall, the session successfully equipped the students with the necessary skills to excel in both academic and professional setting

Guest Lecture on Gene Therapy

Conducted on 24.01.2023

On January 24, 2023, JMJ College for Women (A), Tenali, in collaboration with Ch.S.D St. Theresa's College for Women (Autonomous), Eluru, successfully organized a Guest Lecture on the topic of Gene Therapy. The event was held at JMJ College's premises and was specifically aimed at the II B.Sc CBZ students who have a keen interest in advancements in biological sciences.

The lecture was delivered by Dr. A. Padmavathi, a distinguished member of the Department of Microbiology. Dr. Padmavathi is renowned for her expertise and contributions to the field of microbiology and gene therapy. Her extensive knowledge and experience provided the students with a comprehensive understanding of gene therapy, an innovative and rapidly evolving field in medical sciences

During the lecture, Dr. Padmavathi covered various aspects of gene therapy, including its principles, techniques, and potential applications. She explained how gene therapy involves the modification or manipulation of genes within an individual's cells to treat or prevent disease. The lecture delved into the different types of gene therapy, such as somatic gene therapy and germline gene therapy, and discussed the ethical considerations and challenges associated with each.

Dr. Padmavathi also highlighted recent advancements in gene therapy research and its successful applications in treating genetic disorders, cancers, and other diseases. She shared case studies and examples of how gene therapy has been used to bring about significant improvements in patient outcomes, emphasizing its potential to revolutionize modern medicine.

The interactive session provided students with the opportunity to ask questions and engage in discussions, enhancing their understanding of the subject. Dr. Padmavathi's ability to convey complex scientific concepts in an accessible manner was greatly appreciated by the attendees

The guest lecture on gene therapy not only enriched the students' academic knowledge but also inspired them to consider future careers in genetic research and biotechnology. The collaboration between JMJ College for Women and Ch.S.D St. Theresa's College for Women underscored the

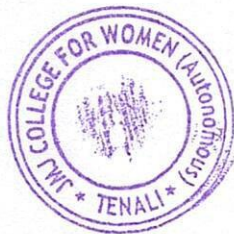

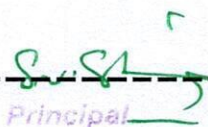

importance of academic partnerships in providing students with access to expert insights and cutting-edge scientific knowledge.

Overall, the event was a resounding success, leaving the students well-informed and motivated to explore the exciting field of gene therapy further.

Virtual Talk on Mobile Application Development
Conducted on 25.01.2023

On January 25, 2023, JMJ College for Women (A), Tenali, in collaboration with St. Xavier's College (Autonomous), Palayamkottai, Tamilnadu, conducted a virtual talk on mobile application development at 4:30 PM. The session, aimed at final degree Computer Science students, featured Prof. J. Rexy, Coordinator of the Department of Computer Science at St. Xavier's College, as the resource person. Prof. Rexy provided an overview of mobile app development, discussing the evolution of apps, the significance of UX/UI design, and differences between mobile platforms like Android and ios. She elaborated on development frameworks such as React Native and Flutter, and programming languages like Java and Swift. The talk also covered development tools, backend integration, API use, and the importance of rigorous testing and deployment practices.

Prof. Rexy concluded by highlighting future trends in the industry, including AI, ML, and AR, encouraging students to stay updated with these advancements. An interactive Q&A session followed, where students sought advice on projects and career prospects. The event was highly successful, offering students valuable insights and inspiration for their future endeavors in mobile app develop

REPORT ON FIELD TRIP TO FISH POND

Place: - Kuchipudi and Pedaravuru

Date: - 28/01/ 2023.

Time: - 10.00 to 4.00p.m

Class: - III.B.Sc A/S & B/S C.B.Z.Students.

A field trip is arranged to visit **Vamsikrishna fish breeding centre at Kuchipudi, Pedaravuru, Civaluru and Davuluru.** 48 students of III B.Sc C.B.Z and staff members of zoology department Mrs.M.Aruna and Dr.P.Bujjamma visited the fish breeding centre from 10.00 to 4.00p.m.

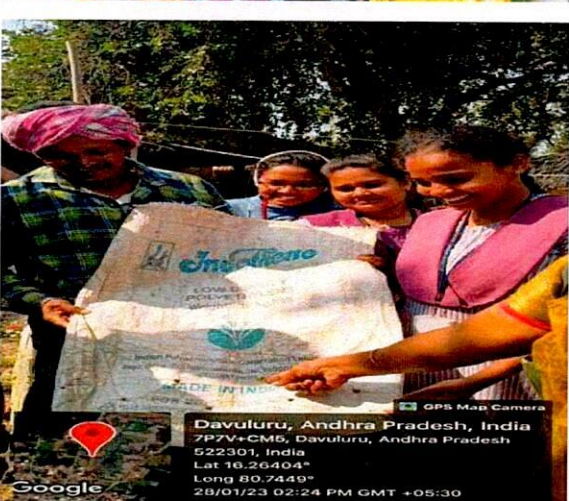

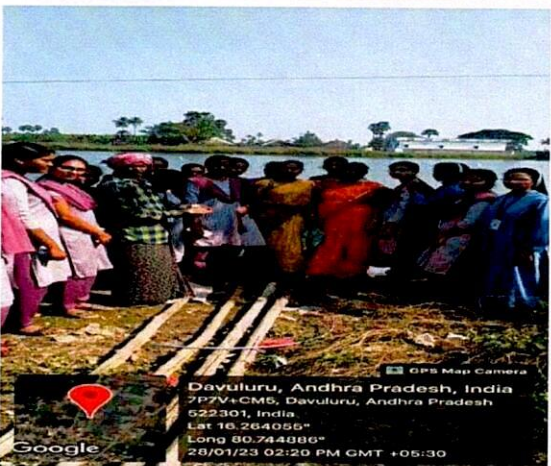

The technician i.e Mr.Gopi explained about cement hatcheries, Chinese hatcheries, Jar hatcheries, and breeder tank and nursery ponds. As it is breeding season of Indian major carps, the pituitary hormone injection is given to induce breeding in Catla and Rohu. They observed the process of induced breeding in Catla. Spawn is collected from breeder tank & kept in Chinese hatcheries for 3 days. Next fry is collected from hatcheries and kept in nursery ponds for further growth of fingerlings. This is collected and measured in measuring cups. Then seed is kept in polythene bags containing 2/3 of transport medium and 1/3 of oxygen. The seed containers are filled with oxygen and transported to fish rearing ponds. Rearing ponds are prepared for acclimatization of fish seed with removal of aquatic weeds and netting of predators. Students estimated the PH value, Temperature, collection of plankton and also collected the sample for the estimation of oxygen. Technician explained in detail about feed management and Students have observed the feeding procedure at Davuluru.

Out come: The field trip helped the students to have practical experience. Whatever they learned in the class room, they observed it in the field itself. It also encourages the students to realize the importance of self-employment.

Report on

ENTREPRENEURSHIP AWARENESS PROGRAMME

The Entrepreneurship Cell organized an Entrepreneurship Awareness Programme to inculcate Knowledge among students to become future Entrepreneur. For this purpose the Cell took all the final year students to visit some of retail shops like Book stalls, cloths stalls, shoes store, and cell phone shops in Tenali town on 04-02-2023 at 3:00 pm.

In this regard, students learnt about how to start business?, what are the required documents?, registration forms, support given by the Government to start these etc. Dr.M.Sambasivudu, Dr.G.Sudhakariah, M.Vanaja accompanied the students.

Report

Five Days Workshop on Intellectual Property Rights

Conducted from 04.02.2023 to 10.02.2023

Time: 3.30 PM to 4.30PM

From February 4 to February 10, 2023, JMJ College for Women (A), Tenali, in collaboration with Jeevaka Pharma, Tenali, conducted a five-day workshop on Intellectual Property Rights. The workshop featured Dr. Samala Sivarama Krishna, Director of Jeevaka Pharma, Tenali, as the resource person. Targeted at the faculty members of JMJ College, the sessions took place daily between 3:30 PM to 4:30 PM. Dr. Krishna provided comprehensive insights into various aspects of intellectual property rights, including patents, trademarks, copyrights, and their significance in academic and professional settings. The workshop aimed to equip the faculty with the knowledge necessary to navigate and utilize intellectual property rights effectively in their teaching and research activities. Through interactive discussions and practical examples, participants gained a deeper understanding of the legal and ethical considerations surrounding intellectual property, enhancing their ability to contribute to innovation and protect intellectual assets

Report on

Guest Lecture on the Basics of Research Paper Writing & Publishing

Conducted on 20th February, 2023

A Guest Lecture on the Basics of Research Paper Writing & Publishing was conducted on 20th February, 2023 at St. Francis College for Women (Autonomous), Hyderabad, featuring Dr. S. Uma Maheswari from the Department of Mathematics at MJM College for Women (A), Tenali. Dr. Maheswari delivered an insightful session, elucidating key aspects of crafting and disseminating research papers. She adeptly navigated through the intricacies of literature review, methodology, results interpretation, and citation styles, providing valuable tips for aspiring researchers. Her expertise, coupled with practical examples, empowered the audience with the necessary tools to embark on their scholarly endeavors. The lecture undoubtedly enriched the academic milieu of the institution, fostering a culture of research and intellectual inquiry among the students and faculty alike.

Report
Guest Lecture on Human Resource Management
Conducted on 02.03.2023

JMJ College for Women (A), Tenali, organized a Guest Lecture on Human Resource Management on March 2, 2023. The session was conducted by Dr.P. Amitha, a distinguished faculty member from the Department of Management Studies at the Global Institute of Professional Studies and Education Society, Vijayawada

The lecture was aimed at providing in-depth knowledge and insights into the field of Human Resource Management (HRM) to the students. Dr. Amitha covered a wide range of topics including the fundamental principles of HRM, modern HR practices, employee recruitment and selection, performance management, and the importance of employee engagement and development

Students from both the Bachelor of Business Administration (BBA) and Bachelor of Commerce (B.Com) programs at MJM College actively participated in the event. The interactive session allowed students to engage with Dr. Amitha, ask questions, and discuss various HRM strategies and their practical applications in the business world

The lecture was well-received by the students, who appreciated the opportunity to learn from an expert in the field. Dr. Amitha's practical insights and real-world examples provided a valuable learning experience, enhancing the students' understanding of Human Resource Management and its significance in organizational success.

**JMJ College for Women Students' Semester End Internships:
In Collaboration with Learnwik Pvt Ltd, Bangalore
Report (01.05.2023 to 09.06.2023)**

The short-term internships of JMJ College for Women students, conducted in collaboration with Learnwik Pvt Ltd, Bangalore, from May 1st, 2023, to June 9th, 2023, were marked by a period of valuable learning and professional development. Throughout the internship duration, students actively engaged with Learnwik's team, participating in various projects and gaining firsthand experience in the dynamic field of technology and education. Under the mentorship of industry experts, interns acquired practical skills, honed their problem-solving abilities, and expanded their knowledge base.

The collaborative environment fostered innovation and creativity, empowering students to explore new ideas and approaches. The internship program not only provided students with hands-on experience but also offered insights into industry practices and career pathways, enhancing their readiness for the professional world. Overall, the collaboration between JMJ College for Women and Learnwik Pvt Ltd proved to be mutually beneficial, contributing to the holistic development of students and strengthening ties between academia and the tech industry

Research Collaboration Report

Title: *Implementation of Artificial Intelligence Method in Solving System of Interval Linear Equations*

Collaborators:

- **Dr. S. Uma Maheswari**
Professor and Head, Department of Mathematics, JMJ College
- **Dr. K. Sujatha**
Professor and Head, Department of Mathematics, St. Joseph's College, Visakhapatnam

Research Period: January and February 2023

Collaboration Agreement: Memorandum of Understanding (MoU) signed on **26th July 2022**

Introduction

The academic collaboration between Dr. S. Uma Maheswari, Professor and Head of the Department of Mathematics at JMJ College, and Dr. K. Sujatha, Professor and Head of the Department of Mathematics at St. Joseph's College, Visakhapatnam, resulted in a significant contribution to the field of applied mathematics and artificial intelligence. The research, carried out under the memorandum of understanding signed on 26th July 2022, focused on utilizing Artificial Intelligence (AI) techniques to address the challenges posed by systems of Interval Linear Equations (ILEs).

Objective

The primary aim of the collaborative research was to explore and implement AI methodologies to solve systems of interval linear equations (ILEs), which are vital in numerous fields such as engineering, economics, and decision science. Traditional methods of solving ILEs often face difficulties due to the inherent uncertainties associated with the coefficients. The implementation of AI techniques in this context provides a novel approach for enhancing the accuracy and efficiency of solving these systems.

Research Methodology

The researchers adopted a systematic approach to solve the system of interval linear equations by leveraging AI algorithms, such as:

- **Machine Learning Algorithms:** These were used to analyze large datasets derived from real-world problems involving interval linear equations.
- **Neural Networks:** To model and predict solutions to interval linear systems with varying degrees of uncertainty.
- **Optimization Techniques:** To fine-tune the AI models for optimal performance in solving interval systems, ensuring solutions are robust and reliable.

The methodology involved creating a simulation environment to test the effectiveness of AI in solving these complex mathematical problems, including comparative studies with traditional numerical methods.

Key Findings

The research demonstrated several breakthroughs in the application of AI to interval linear equations:

- AI-based approaches exhibited superior performance over conventional methods, particularly in handling the uncertainties and variations in interval data.
- Machine learning models significantly reduced the computational complexity associated with solving large systems of interval linear equations.

- The research showed that AI techniques could be effectively integrated into mathematical modeling for real-time decision-making in fields that rely on interval data.

Conclusion

This collaborative effort has successfully bridged the gap between artificial intelligence and applied mathematics. The outcome of this research presents a significant step forward in solving interval linear equations, offering a more accurate and computationally efficient approach. The research findings hold promise for practical applications in areas such as control systems, optimization, and economics, where uncertainty and interval data are prevalent.

Future Directions

Building on the success of this collaborative research, future work will involve:

- Expanding the range of AI techniques, such as deep learning, to further improve the efficiency and scalability of solutions.
- Extending the methodology to solve more complex systems and real-world problems.
- Publishing further research to share insights with the broader academic and industrial communities.

Acknowledgements

The authors extend their sincere gratitude to the administration and faculty members of JMJ College and St. Joseph's College for their unwavering support. Special thanks are due to the research scholars and students who assisted in the project, contributing their valuable insights and efforts towards the successful completion of this work.

(57) Abstract :

Implementation of Artificial Intelligence method in Solving Systems of Interval Linear Equations is the proposed invention. The proposed invention focuses on understanding the impact of interval linear equation in solving using the algorithms of artificial intelligence. The invention aims at predicting the pros and cons of interval linear equation systems.

Report on Online BoS Meeting in Home Science through Google Meet

Conducted on 06.05.2023

Subject Expert: Dr. Y. Lakshmi Prabha,

St. Joseph's College for Women, Visakhapatnam

On May 6, 2023, the Department of Home Science at JMJ College for Women (A), Tenali, held an online Board of Studies (BoS) meeting via Google Meet, with Dr. Y Lakshmi Prabha from St Joseph's College for Women, Visakhapatnam, serving as the subject expert. The meeting focused on several key areas: reviewing and updating the syllabus and practical curriculum for the II and IV semesters, and modifying model question papers for Semester II to enhance evaluation methods. The participants also evaluated the current online community service project and the short-term internship programme, suggesting improvements to boost student engagement and learning outcomes. Additionally, they explored new opportunities for students to enhance their skills and employability and discussed the introduction of a new certificate course to further broaden educational offerings

**"Global Perspectives: College Student Exchange Programme
at Christ College (Autonomous) in Irinjakuda, Kerala"**

On May 20, 2023, Christ College (Autonomous) in Irinjakuda, Kerala, hosted the "Global Perspectives: College Student Exchange Programme," facilitating a vibrant exchange of cultures and ideas. Among the participants were three students from JMJ College for Women: Anusha Kothapalli, Pravallika Borugadda, and Meghana Kodavali. Throughout the event, these students actively engaged in workshops, seminars, and networking sessions, contributing their unique perspectives to the enriching academic discourse. The programme provided a platform for cultural immersion, academic exploration, and personal growth, fostering cross-cultural understanding and preparing students to thrive in an interconnected world

Dr. Bijoy C, Asst. Professor addressing the gathering

Madam,

Sub: Sir C R Reddy Autonomous College, Eluru – Meeting of the Board of Studies – Intimation – Regarding.

Greetings from the Principal, Sir C R Reddy Autonomous College, Eluru.

I wish to inform that you are nominated as Subject Expert for the Board of Studies of PG Department of Mathematics of Sir C R Reddy Autonomous College, Eluru. The meeting of the Board of Studies of the department of M.Sc Mathematics is scheduled on **Saturday, the 16th July, 2022 at 11.00 a.m., at Sir C R Reddy Autonomous College.** Being the Subject Expert on the said Board of Studies, you are earnestly requested to attend the meeting and offer your valuable suggestions.

AGENDA:

01. To revise the course content and model question papers, if required.
02. To suggest innovative methods of teaching for effective learning practices.
03. To discuss other academic activities in the department.
04. To prepare syllabi for Value-added courses offered by the department.
05. To discuss on organizing subject oriented seminars/community outreach programmes.
06. To suggest panel of names of examiners and paper setters to Academic council.
07. Any other matter with the permission of the Chair.

Thanking you,

Yours sincerely,

(Dr K A RAMA RAJU)

(57) Abstract :

TITLE OF THE INVENTION A PROCESS AND CATALYST FOR HYDROGEN GAS EVOLUTION USING MIXED METAL OXIDES COATED POROUS g-C₃N₄ Via PHOTOCHEMICAL APPROACH The present invention relates to the field of chemical engineering. The present invention provides a catalysts and preparation method of a porous hydrogen evolution catalyst comprising mixed metal oxide nanoparticles (CuO/CeO₂, CuO/SnO₂, CuO/ZrO₂, CuO/L3203, CeO₂/SnO₂, CeO₂/ZrO₂, CeO₂/L3203, SnO₂/ZrO₂, SnO₂/L3203, and ZrO₂/Lazog) coated graphitic carbon nitride delivered 1250-17854 wno] g⁻¹ h⁻¹ of H₂ through water splitting This invention presents a robust, stable, and easily synthesizable mixed metal oxides coated g-C₃N₄ hybrid material as a promising photocatalyst for H₂ generation through water splitting.

(57) Abstract :
A SYSTEMATIC APPROACH TO ANALYZING THE ADVANCEMENTS OF HEAT EXTRACTION METHODOLOGIES FOR ENHANCING THE PERFORMANCE OF PHOTOVOLTAIC/THERMAL (PV/T) SYSTEMS A method for the development of a heat harvester is used to capture thermal energy from geological formations. The heat harvester in some implementations is a once-through, closed loop, subsurface heat harvester formed by directionally drilling through hot rock. A system and a technique provide a photovoltaic system that regenerates the solar output characteristics with high precision under all environmental conditions. An AC-type solar cell module that improves the output performance of the photovoltaic device by including a high frequency resonant power conversion device attached to the solar cell module at a predefined interval. This methodology describes how to quantify the impact of qualitative weather observations on solar irradiance, as well as how to include this methodology into solar irradiance estimating models. Operating the system in power output mode with a power output level intermediately between 0% and 100% of the system's maximum output level. FIG.1

Respected Sir/Madam,

Sub: Hindu College, Guntur – Request to be an Adjudicator “Science Expo-2023” – Regarding.

Hindu College, Guntur is one of the oldest educational institutions in the state of Andhra Pradesh. It was established in 1935 with the noble idea of “*Thamasoma Jyothirgamaya*” (*dispelling the darkness*). It still upholds the values laid down by its founders. Our institution is accredited grade ‘A’ by NAAC, Bangalore for three successive cycles. EduWorld ranked our institution as India’s 53rd and Andhra Pradesh’s 2nd Best Non-Autonomous College (2022-23). During the Post-Accreditation period, we organised 20 National Seminars, 03 Major Research Projects, 12 Minor Research Projects, 30 Management Sponsored Projects, about 25 National Webinars and our faculty published about 300 research articles in National / International reputed Journals.

With this brief introduction, I am very happy to inform you, that we are going to organise “Science Expo-2023” on 30th, 31st January & 1st February 2023. We are expecting 20,000 – 25,000 students to visit the Expo.

In this context, we request you to Represent as a judge on 31.01.2023 (Tuesday) on the exhibits being displayed in the “Science Expo-2023

With regards,

P.M. Prasad
(P.M. PRASAD)
Principal

JMJ COLLEGE FOR WOMEN (AUTONOMOUS): TENALI

DEPARTMENT OF MATHEMATICS

Report on Science Expo- Hindu College

Dr.S. Uma Maheswari, Head of the Department has attended "Science Expo-2023" organized by Hindu College, Guntur on 30th, 31st January and 1st February 2023. Nearly 25,000 students from Schools and Colleges in and around Guntur District have visited the exhibition. Students displayed their exhibits in four categories like Social Sciences, Biological Sciences, Physical Sciences and Mathematics. They focused on the identification, display, and interpretation of collective things.

Dr.S. Uma Maheswari, represented as an Adjudicator for Mathematical Division of Science Expo-2023 on 31st January in which 27 institutions exhibited their Mathematical Models.

Outcome:

Conducting of such exhibitions are very useful to students to work with Science Models and enhance their scientific temper. This **exhibition** is a wonderful tool that engages students in learning new facts.

Respected Sir,

Sub: JMJ College for Women (A), Tenali - Request to be an Adjudicator for Art and Science Exhibition - 2023 on 14th March, 2023 at JMJ College for Women (A), Tenali - Regarding

Jesus Mary Joseph (JMJ) College for Women, Tenali is one of the Minority Institutions established in 1963 to empower the rural and poor girls who are socially and economically backward. The college has a good reputation for its academic excellence and educating the young girls of Andhra Pradesh for the past 60 years. With this brief introduction, I am very glad to inform you that we are going to organize Art and Science Exhibition - 2023 on 13th & 14th March 2023. We are expecting a huge number of students to visit the Exhibition.

In this regard, I would like to request you to represent as a judge on Tuesday i.e 14th March, 2023 on the exhibits being displayed in the Art and Science Exhibition - 2023.

I am grateful to you for your acceptance and support.

INTERNSHIP CUM PLACEMENT OFFER LETTER

DATE:27/02/2023

Dear *P. Pefaswmi*
CONGRATULATIONS !

With reference to the discussion, you had with us, we are pleased to offer you an educational internship opportunity as a **Software Intern** with our organization.

Your internship would be for **45 days**. As you will be receiving course certificate for this position, you will be not paid. You will receive benefits like free placement Assistance services, course certification etc.

This internship is viewed by us as an educational opportunity given to you. Your internship will include training/orientation and focus primarily on learning and developing skills and gaining a deeper understanding of concepts through hands-on application of the knowledge you learned in class.

Please review, sign and return the copy to confirm acceptance, no later than close of business on 08/05/2023.

Congratulations and welcome to the team!

Regards
