4. FUNDING:

- h) Expenses for airfare, transportation, room and board and personal expenses of exchange students, teachers or officers shall be covered by each individual. Students will pay their registration, courses or professional practices at their home university, so that they can be recognized afterwards.
- i) Students, interns and officers shall be responsible for requesting and obtaining lodging by inquiring with the university, which shall provide every help necessary for them to obtain safe, convenient lodging arrangements.
- j) Financial expenses for (term visits) internships of professors and researchers, which will be arranged at the parties' request, as well as travel expenses, shall be covered by the requesting institution. No fees will be paid, as the assumption is that the professors / researchers remain in their positions at their home institution, which will continue to pay their salaries.
- k) Students, professors and officers must acquire a medical insurance policy. The universities may offer them advice in seeking appropriate insurance.

5. NO EMPLOYMENT RELATIONSHIP:

- l) The parties agree that this Agreement shall not be construed in any manner as establishing any kind of partnership or bond of a labor nature between them. Thus, in all activities stemming from the present MoU and from subsequent specific action plans, the parties are in the understanding that, in all cases, employment relationships shall remain in force between the employing institution and its respective personnel.

6. CREDITS / ACCREDITATION:

- m) Credits and grades shall be awarded in accordance with the academic achievement policies in force at the Institution / Host University / Government. However, the home university / Institution reserves the right to accept or reject any accreditation leading to an academic degree.
- n) The Host University / Institution shall issue a certification recognizing the grades obtained, as well as the hours invested or projects/papers completed by the students.

7. RIGHTS AND DUTIES:

- o) The host university / Institution is committed to counseling and supporting exchange students through advice on academic and administrative procedures, as well as to foster their integration, inviting and encouraging guest students to become involved in student life.
- p) The institutions shall act as facilitators, but they will have no obligation whatsoever in terms of the actions, behaviors or financial aspects of the students / participants involved in the exchange.
- q) The students / participants shall enjoy the same rights and privileges as regular students / faculty, and shall observe the norms and rules of the Host University / Institution and in the host country. Any violation of the laws of the receiving country and / or the rules of the Host University / Institution by an exchange participant shall be grounds for the immediate termination of the privileges in the context of this Agreement.
- r) The host institution agrees to assist to provide boarding, lodging and necessities and to provide work space, library and laboratory facilities as appropriate.

8. AUTONOMY:

- s) This agreement is a statement of intentions and does not involve, in any instance whatsoever, any financial obligations between the subscribing institutions.

9. TERM:

- t) This MOU shall be effective for a period of five (5) years from the date of execution of this agreement, and shall be automatically renewed thereafter for another five (5) years unless a written notice to terminate or amend this agreement is given to the other party six (6) months in advance.
- u) It is expressly agreed that neither party shall be liable for damages that they might cause each other as a result of a forceful suspension of a collaboration program. Causes for forceful suspension must be explicitly set forth in the action plans.

10. CONFLICT RESOLUTION:

- v) Any dispute resulting from the interpretation or application of this Agreement shall be settled through direct negotiation and common agreement by the persons delegated to such end by each university/Institute. Either party may purpose to the other a modification of the Agreement at any time in writing.

(57) Abstract :

TITLE OF THE INVENTION A PROCESS AND CATALYST FOR HYDROGEN GAS EVOLUTION USING _ MIXED METAL OXIDES COATED POROUS g-C3N4 Via PHOTOCHEMICAL APPROACH The present invention relates to the field of chemical engineering. The present invention provides a catalysts and preparation method of a porous hydrogen evolution catalyst comprising mixed metal oxide nanoparticles (CuO/CeO₂, CuO/SnO₂, CuO/ZrO₂, CuO/L3203, CeO₂/SnO₂, CeO₂/ZrO₂, CeO₂/L3203, SnO₂/ZrO₂, SnO₂/L3203, and ZrO₂/Lazog) comed graphitic carbon nitride delivered [250-17854 wno] g⁻¹ h⁻¹ of H₂ through water-splitting This invention presents a robust, stable, and easily synthesizable mixed metal oxides coated g-C3N4 hybrid material as a promising photocatalyst for H₂ generation through water splitting.

(57) Abstract :

A SYSTEMATIC APPROACH TO ANALYZING THE ADVANCEMENTS OF HEAT EXTRACTION METHODOLOGIES FOR ENHANCING THE PERFORMANCE OF PHOTOVOLTAIC/THERMAL (PV/T) SYSTEMS A method for the development of a heat harvester is used to capture thermal energy from geological formations. The heat harvester in some implementations is a once-through, closed loop, subsurface heat harvester formed by directionally drilling through hot rock. A system and a technique provide a photovoltaic system that regenerates the solar output characteristics with high precision under all environmental conditions. An AC-type solar cell module that improves the output performance of the photovoltaic device by including a high frequency resonant power conversion device attached to the solar cell module at a predefined interval. This methodology describes how to quantify the impact of qualitative weather observations on solar irradiance, as well as how to include this methodology into solar irradiance estimating models. Operating the system in power output mode with a power output level intermediately between 0% and 100% of the system's maximum output level. FIG.1

Respected Sir/Madam,

Sub: Hindu College, Guntur – Request to be an Adjudicator “**Science Expo-2023**” – Regarding.

Hindu College, Guntur is one of the oldest educational institutions in the state of Andhra Pradesh. It was established in 1935 with the noble idea of “*Thamasoma Jyothirgamaya*” (*dispelling the darkness*). It still upholds the values laid down by its founders. Our institution is accredited grade ‘A’ by NAAC, Bangalore for three successive cycles. EduWorld ranked our institute as India’s 53rd and Andhra Pradesh’s 2nd Best Non-Autonomous College (2022-23). During the Post-Accreditation period, we organised 20 National Seminars, 03 Major Research Projects, 12 Minor Research Projects, 30 Management Sponsored Projects about 25 National Webinars and our faculty published about 300 research articles in National / International reputed Journals.

With this brief introduction, I am very happy to inform you, that we are going to organise “**Science Expo-2023**” on 30th, 31st January & 1st February 2023. We are expecting 20,000 – 25,000 students to visit the Expo.

In this context, we request you to **Represent as a judge on 31.01.2023 (Tuesday)** on the exhibits being displayed in the “**Science Expo-2023**”

With regards,

(P.M. PRASAD)
Principal
