## JMJ COLLEGE FOR WOMEN (A), TENALI Student's Feedback on Curriculum

| Programme:  |
|---|
| Department:   |
| Name:   |
| Students are require to rate the course on the following attributes using the 4-Point scale shows |
| The format given is for is for an accuracy  |

| DADAMEDEDS   | A              | Cood          | Satisfacto    | Unsa |
|--|----------------|---------------|---------------|------|
| The format given is for is for one course.               | 5              | 8             |               |      |
| Students are require to rate the course on the following | g attributes i | ising the 4-F | oint scale sn | own  |

|    | PARAMERERS  | A<br>Very<br>Good | Good | Satisfacto<br>ry | Unsatisfa<br>ctory |
|----|---|-------------------|------|------------------|--------------------|
| 1  | The course was well- organized  |                   |      |                  |                    |
| 2  | This course is helpful in developing new skills                                       |                   |      |                  |                    |
| 3  | I gained an excellent understanding of concepts in this field                         |                   |      |                  |                    |
| 4  | This course helpful me to become a more critical thinker                              |                   |      |                  |                    |
| 5  | The curriculum is more relevant to the present needs                                  |                   |      |                  |                    |
| 6  | The curriculum provides employment opportunities                                      |                   |      |                  |                    |
| 7  | The curriculum is satisfy the requirement of different IQ levels of students          |                   |      |                  |                    |
| 8  | Is the curriculum creating interest in research among the students                    |                   |      |                  |                    |
| 9  | The curriculum is beneficial to write entrance/competitive exams                      |                   |      |                  |                    |
| 10 | Is the curriculum is promoting practical skills among the students                    |                   |      |                  |                    |
| 11 | Depth of course content including project work if any                                 |                   |      |                  |                    |
| 12 | Applicability relevance to real life situation  |                   |      |                  |                    |
| 13 | Learning value (in terms of knowledge, concepts, manual skills, analytical abilities) |                   |      |                  |                    |

| Recommendations for course improvement (Please specify topics that should be added / dropped from the |
|---|
| course, new books to be recommended, changes in teaching scheme and experiments, etc. if any)         |
|   |
