Report on National Webinar “English Language: The Hard journey through Centuries”

6th June 2020

The Department of English conducted one day National Webinar on ‘English Language: The hard Journey through centuries’ on 6th June 2020. Dr.Sr.Shiny K.P Principal enlightened the gathering with opening remarks and the importance of English language from centuries. Dr. N. Vimala Devi HOD of English welcomes the chief guest. Dr. G. Jyothi Olivia presented a brief note on significance of seminar.

The Chief Guest Prof. LAL C.A., University of Kerala delivered that The English language is and always has been a diverse entity. It has changed dramatically over the centuries since it first arrived on the shores of Britain from the north of Europe, and these changes mean that the language that was spoken at that time is almost incomprehensible to us now. As the language has spread beyond Britain it has continued to change, and to change in different ways in different contexts, It has played a fundamental role in plenty of fields including medicine, engineering and, of course, education. Likewise, learning English is a real milestone in our life whereby we will make our dreams come true.

There were 200 numbers of participants from different academic institutions including PG students, research scholars and faculty members. The session ended with a vote of thanks.

Overall, the webinar was ended successfully.

On June 27, 2019, the Department of English at JMJ College for Women (Autonomous), Tenali, organized a guest lecture on “**English Language Learning Strategies.**” The lecture, held in the MBA Seminar Hall at 2:30 PM, was delivered by **Mrs. Sk. Rehena, Assistant Professor of English at P.B. Sidhartha Institute of Technology, Kanuru, Vijayawada.** The event was aimed at enhancing the language learning techniques of III degree students.

Mrs. Sk. Rehena shared various strategies that can aid in effective English language acquisition. Her presentation covered essential aspects such as the importance of consistent practice, the use of multimedia resources, and the benefits of immersive learning environments. She emphasized the need for students to engage actively with the language through reading, writing, listening, and speaking activities.

The lecture also included practical tips on vocabulary building, grammar improvement, and enhancing pronunciation. Mrs. Rehena encouraged students to leverage modern technology, such as language learning apps and online resources, to supplement their learning. Interactive elements of the lecture, including Q&A sessions and group discussions, allowed students to clarify doubts and exchange ideas on best practices for language learning.
