POLICY DOCUMENT FOR SCHOLARSHIPS/FREESHIPS AND FEE CONCESSIONS

JMJ College is committed to providing scholarships and freeships to students in need, with the aim of fostering academic excellence and ensuring equal opportunities for all. Aligned with the college's vision of providing higher education to deserving students, particularly those from socially and economically disadvantaged backgrounds, these initiatives aim to eliminate financial barriers to education. The Scholarship Committee works consistently towards providing financial assistance to economically weaker sections and meritorious students every year to empower the young girls through education.

The Committee ensures that the students are informed about the fee concession and merit scholarship to the needy and deserved students from the institution and availability of the scholarships from Centre and State Government. The college offers need-based scholarships and fee concessions not only at the time of admission but also throughout the completion of their study.

Objectives for Awarding Scholarships/Freeships and Concessions:

1. To financially support:

- Meritorious students from economically weaker backgrounds.
- Female students.
- Students belonging to Scheduled Castes (SC), Scheduled Tribes (ST), and Other Backward Castes (OBC), as per government policies and guidelines.

2. To recognize and promote:

- Academic excellence.
- Excellence in extracurricular activities such as sports, cultural activities, and social service.
- Leadership and all-round performance.

3. To encourage postgraduate studies by providing scholarships/assistantships.

The Practice:

The college offers scholarships, free ships, and fee concessions under the following categories:

- Economically Disadvantaged Students
- Academic Merit Scholarships
- Sports Fellowships
- Subject Toppers

To apply for these benefits, students must submit their applications to the college office. The applications are then scrutinized based on the applicant's economic background, and final approval is granted by the Principal, with input from the Scholarship Committee. The application process typically occurs at the beginning of the academic session.
